Thanks to everyone who came out to run, bike, ski, cheer, volunteer, provide beer, etc., at the 2012 Arrowhead 135.

I'll let Dave n Mary add their thoughts once they a chance to return home and find a computer to use but I wanted to say that this was quite an experience. I didn't know I could be (mostly) functional and (not too) cranky on only a couple of hours of sleep for 3 days. I've participated in a number of ultra-type events but never as a volunteer. I think volunteering is a bit more exciting...

I started a galleries article with links to some initial photo galleries. Go to the Galleries menu to see the 2012 Galleries. I'll add more as I hear of them.
